M. M. C. SRIRANGACHAR,
*Special Duty Officer.*

## GOVERNMENT OF MYSORE, ELECTRICAL DEPARTMENT.

OFFICE OF THE CHIEF ELECTRICAL ENGINEER TO THE GOVERNMENT OF MYSORE.

*Notification.*

The Mysore Bungalow at Jog Falls has been transferred from the Forest to the Electrical Department, to be operated in the same way as the Inspection Bungalow at Sivasamudram is run. Therefore Visitors to Jog Falls are requested to apply to the Chief Electrical Engineer to the Government of Mysore, Bangalore, for accommodation in the Bungalow.

---

*Notification G. N. No. 28, dated 2nd September 1938.*

To

*The Firms dealing in Hardware Materials.*

GENTLEMEN,

Please be good enough to submit your tender for the supply of the following, delivered f.o.r., different stations as noted below, on or before the 27th September 1938, 12 noon :—

*Barrels* 31.—Coal Tar, English, best quality, in steel barrels of about 45 gallons;

| | | |
|---|---|---|
| Delivery—7 | barrels | f.o.r., Bhadravati, |
| 3 | do | Tarikere, |
| 9 | do | Hassan, |
| 6 | do | Holenarsipur, |
| 4 | do | Krishnarajnagar, |
| 2 | do | Mysore. |

Rate must be quoted in terms of Cwt.

Brand, manufacturer's name and place of manufacture, should be clearly mentioned.

Tenderers must be prepared to prove by documentary evidence, if need be, that their supply is genuine English Coal Tar.

Whether the full quantity can be supplied from ready stocks or otherwise must also be stated.

The Chief Electrical Engineer reserves the right to reject any tender without assigning reasons therefor. The purchase will be subject to the general conditions of contract, *viz.*, in the event of the accepted tenderer failing to make the supply within the stipulated time, the Chief Electrical Engineer shall have the power to purchase the same in the open market at the suppliers' risk and expense, and also to reject the supply if found unsuitable or defective. His decision in these cases shall be final.

On the envelope should be superscribed the words "Tender for Coal Tar—27th September 1938, 12 noon" and the tender delivered in the office of the Chief Electrical Engineer, Bangalore.

---

*Notification No. G. N. 29, dated 3rd September 1938.*

PRINTING AND SUPPLYING OF BOOKS, FORMS, ETC.

Sealed tenders are invited for the printing and supply of books, forms, etc., briefly described below and they will be received in the Office of the Chief Electrical Engineer to the Government of Mysore, Bangalore, upto 12 noon on 30th September 1938. The tenders should be accompanied with an earnest money of Rs. 100 and should be superscribed "Tenders for Printing to be opened at 12 noon on the 30th September 1938."

Since the description given for the items is only general, tenderers are requested to call at the office of the undersigned during office hours and inspect the specimens before submitting their tenders.

Paper will be supplied by the department wherever it has been so stated definitely and in all other cases, the paper, etc., required, should be supplied by the tenderers themselves and samples thereof, (*i.e.*, paper, card-board, calico, cloth for the ledger sheets, etc.,) should invariably be submitted with the tenders with the firm's name thereon, for approval, as otherwise the quotations cannot be taken into consideration.

Unless otherwise mentioned, the supplies will have to be delivered in the office of the Chief Electrical Engineer. In the case of such of the items as are required to be delivered outside Bangalore, (such as Mysore, Oorgaum, Bhadravati, Maddur, etc.,) the firms should quote their rates for delivery of the items at those places, and this fact should be clearly mentioned in the tender in respect of such items. Failure to do so will be interpreted as though the rates quoted are for delivery at the places specified.

Each item tendered for in the schedule will be considered as a separate and distinct tender in itself. The Chief Electrical Engineer does not bind himself to accept the lowest or any tender, but reserves to himself the right to select from any tender such items as he may consider it expedient to accept.

The entire work entrusted to the successful tenderers should be executed expeditiously and supplies effected completely within 3—6 months according to the volume of the work entrusted to them. Each of the items as remain uncomplied with after the period allotted, get cancelled automatically and the works will be got done elsewhere at the risk and expense of the original tenderers. Besides, the Chief Electrical Engineer reserves to himself the right to levy a penalty of three per cent of the value of the order as and by way of liquidated damages.

On receipt of orders, preliminary and final proofs should be submitted in duplicate, and approval of the Deputy Chief Electrical Engineer should be obtained in each case.

The printing, stitching, binding and finishing should be very good and strong, as otherwise the supply is liable to be rejected.

The general conditions of contract prevailing in the department for local purchases will hold good in all cases.

## Books.

| | | No. |
|---|---|---|
| 1. | Printing and supplying *Revenue Receipt Books* about 7″×5½″ size, with running matter to be printed on only one side of the paper, original copies to be perforated, both book and page serial Nos. to be machine numbered, each book to contain 100 pages in duplicate, using 12 lbs. thick white paper, Calcutta, for the duplicate and 10 lbs. thick yellow coloured paper for the original, bound with thick cardboard on both sides and calico together with a printed slip as certificate pasted in the front cover wrapper .. .. .. | 1,200 Books. |

*Notification No. G. N. 30, dated 3rd September 1938.*

SUPPLY OF STATIONERY ARTICLES.

Sealed tenders are invited for the supply of Stationery Articles, etc., briefly described in the undermentioned schedule and they will be received in the office of the Chief Electrical Engineer to the Government of Mysore, Bangalore, up to 12 noon on the 30th September 1938, with the superscription "Tender for Stationery Articles to be opened at 12 noon on 30th September 1938".

The exact time of delivery should be mentioned for each item and the same should be adhered to without fail. However, the entire supply should be effected in not more than three months from the date of the order and such of the items as are not complied with at the end of three months from the date of the order get cancelled automatically and purchases thereof will be made from any other agency at the risk and expense of the original suppliers. Besides, the Chief Electrical Engineer reserves to himself the right to levy a penalty of three per cent of the value of the order as and by way of liquidated damages.

Each item tendered for in the schedule will be considered as a separate and distinct tender in itself. The Chief Electrical Engineer does not bind himself to accept the lowest or any tender, but reserves to himself the right to select from any tender such items as he may consider it expedient to accept.

Unless otherwise mentioned, the supplies will have to be delivered in the office of the Chief Electrical Engineer. In the case of such of the items as are required to be delivered outside Bangalore, (such as Mysore, Oorgaum, Bhadravati, Maddur, etc.), the firms should quote their rates for delivery of the items at those places and this fact shoud be clearly mentioned in the tender in respect of such items. Failure to do so will be interpreted as though the rates quoted are for delivery at the places specified.

Samples of articles should be submitted along with the tender, wherever necessary; otherwise, the quotations are likely to be not considered.

The general conditions of contract prevailing in the department for local purchases will hold good in all cases.

STATIONERY.

S. G. FORBES,
*Chief Electrical Engineer.*

OFFICE OF THE SUPERINTENDENT, POWER AND LIGHTING, BANGALORE.

*Abstract Notification.*

TENDER FOR PROVIDING OSIRA LAMPS TO THE LEFT SIDE WING FED BY G.L. 1, GOVERNMENT PRINTING PRESS, BANGALORE.

Attention is drawn to this office Notification, dated 22nd August 1938, inviting tenders for the above work, published in Part VI, page 1466 of the *Mysore Gazette*, dated 25th August 1938. The last date of receiving tenders is 10th September 1938 and the earnest money required is Rs. 150.

C. R. GOWDA,
*Superintendent.*

OFFICE OF THE SUPERINTENDENT, POWER AND LIGHTING, KOLAR GOLD FIELDS.

*Notification dated 25th August 1938.*

Notice is hereby given that sealed tenders will be received from licensed electrical contractors at the office of the Superintendent, Power and Lighting, Champion-Reefs, Kolar Gold Fields, upto 3 P.M. of 26th September 1938 for installing an Electrically Driven Pump in Sri Narasimharaja Hospital, Kolar Town. An approximate estimate of quantities is given below. The quantities are not guaranteed. The work should be completed by the end of October 1938.

2. The place and conditions may be ascertained from the office of the Assistant Superintendent, Power and Lighting, Kolar.

3. The tenders should be accompanied by a statement in the form given below showing the rates at which the different items specified will be executed. The materials to be used on the work should strictly conform to the specifications and executed as per regulations and instructions of the Department.

4. Each tender must be accompanied by a deposit of Rs. 30 in cash as Earnest Money and be superscribed 'Tender for installing an Electrically Driven Pump at Sri Narasimharaja Hospital at Kolar Town', in default of which the tenders will be rejected.

5. The final acceptance of the tender will rest with the Superintendent, Power and Lighting, Champion-Reefs, Kolar Gold Fields, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender the successful tenderer will be required to execute the usual agreement, in default of which his tender will be considered as cancelled and his Earnest Money will be forfeited.

7. The name of the successful competitor whose tender has been accepted will be posted on the Notice Board in the office of the Superintendent, Power and Lighting, Kolar Gold Fields, and of the Assistant Superintendent of Rural Areas, Kolar, in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be refunded.

9. Materials that may be found necessary during execution should be supplied by the contractor himself.

10. In all matters not specifically provided for, the decision of the Superintendent, Power and Lighting, Kolar Gold Fields, will be final and legally binding.

11. Approximate quantities of materials required for installing an Electrically Driven Pump at the Sri Krishnarajendra Hospital, Kolar :—

| | | *Quantity.* |
|---|---|---|
| 1. | Supplying and installing a centrifugal pump 1½" suction, 1½" delivery, to pump about 1,500 gins. per hour against a head of about 30 ft., driven by a suitable electric motor of 220-V, 3 phase, 25 cycles, complete with a star delta starter, valves, pressure gauge and pipe fitting, etc. (*Note.*—Full details of the capacity and efficiency of the motor and pump, maker's name, and a guarantee of one year should be furnished. The motor should be suitable for a variation of voltage of ±10 per cent, frequency ±2 per cent.) | One Set. |
| 2. | Supplying and fixing a Teakwood meter board 2'×2'×1" with battens, etc., mounted with an iron clad T. P. S. T. 30 Amps. switch with fuses, complete with pilot lamps, etc. | One Set. |
